

2025 Onsite Employee Health & Wellness Centers Summit

The Leading Forum on Building & Expanding Onsite Health & Wellness Centers – Incorporating Strategies that Reduce Costs, Ensure Employee Satisfaction and Positively Impact Patient Behavior

January 16 – 17, 2025 • Caesars Palace Hotel • Las Vegas, NV

Overview

We are currently at a crucial point in time for corporate healthcare – employers are operating in a political and economic situation that has considerably evolved. Building and expanding onsite employee health clinics and centers has become an imperative in enabling employers to offer competitive benefits, control costs, and provide quality healthcare to employees. Moreover, employers must redefine their corporate healthcare strategy, and innovation will be key to success!

The opportunities and challenges facing onsite health centers have drastically changed over the past year. Healthcare reform has made its way to center stage on all matters related to healthcare, and onsite employee health centers are no exception. Employers are aggressively seeking innovative means to cut back on corporate healthcare costs, and onsite employee health Centers have proven to be an effective way to significantly reduce those healthcare costs, and ultimately, have a positive impact on the company's bottom line.

By attending the 2025 Onsite Employee Health & Wellness Centers Summit, you will learn what it takes to build and streamline facilities that meet innovative visions for healthcare and wellness. You will also learn the benefits associated with expanding current onsite health facilities. Furthermore, you will walk away with practical solutions to operate a cost-effective healthcare program while providing quality healthcare.
