

2026 Medicaid Managed Care Congress

*Essential Strategies to Succeed in the New Landscape of Medicaid Managed Care and its Expansion:
Navigating CMS Regulations, States and Health Plan Collaboration to Improve Healthcare and Reduce
Costs, Boost Network Adequacy, Integrate Social Determinants, and More!*

November 2 – 3, 2026 • Loews Vanderbilt Hotel • Nashville, TN

Overview

Join healthcare leaders, policymakers, providers, and payers for an in-depth exploration of the evolving landscape of Medicaid Managed Care. This conference will provide a comprehensive overview of current challenges, innovations, and policy developments shaping Medicaid delivery systems across the United States. Topics will include improving health equity, integrating behavioral health, addressing social determinants of health, enhancing care coordination, and leveraging data analytics to drive outcomes. Attendees will gain valuable insights through experts, case studies, and networking opportunities, all aimed at advancing high-quality, cost-effective care for Medicaid populations.

We have created an exciting, high-level forum featuring knowledgeable leaders and executives from the nation's leading Medicaid Health Plans and State Government Agencies who will share their perspectives, valuable insights and expertise on how to be best equipped for the rapidly evolving landscape of Medicaid Managed Care. Attendees will benefit from learning about best practices and strategies that have been deployed to address the challenges in transforming Medicaid Managed Care. Topics include improving network adequacy, enhancing member access to quality healthcare, boosting member enrollment/engagement, managing carved in services, integrating social determinants, enhancing care coordination/collaboration and reducing the overall healthcare spending.

By attending the 2026 Medicaid Managed Care Congress, you will learn what others in the Medicaid Managed Care arena are doing to succeed in transforming the nation's healthcare and its Medicaid member population.
